Envision the wedding of a lifetime. You and your love. A seamless union of everything blissful and romantic. Your tropical wedding in paradise will be an event to remember for years to come.

At Sunset Resorts, there is a venue for every taste. Whether it's a romantic, private ceremony for the two of you or you want to celebrate with your friends and family, we can accommodate groups of any size. Our wedding planners will work with you to prepare the perfect wedding, starting with finding the perfect setting for you to start your new life together.

Choose to escape to the playful **Sunset Beach Resort**, Spa & Waterpark, activity-filled days and nights in a family-friendly atmosphere minutes away from the MoBay “hip strip”.

Or be spoiled at the legendary **Sunset Jamaica Grande Resort**, in Ocho Rios, complete with five swimming pools, cascading waterfalls, Lighthouse Waterslide, divine dining and full service Spa.

Or opt for a hideaway at the chic **Sunset at the Palms** with treehouse-style accommodations and lush tropical gardens setting the mood for romance and complete relaxation.

Negril is peaceful, if far from sedate, and famous for its magnificent Sunsets over 7-mile beach and Bloody Bay. Select a white sand beach, a classic ocean front gazebo or a serene unspoiled tropical garden oasis as your aisle with island music playing under a vibrant sunset.
